

# HYL FAQ

## ***What Equipment is Needed?***

**Boys:** stick, helmet, chest protector, gloves, arm guards, protective cup, mouthguard, and cleats.

**Girls:** stick, goggles, mouthguard, and cleats.

**See our website for more info!**

## ***What is the Cost and What is Included?***

Fees vary from \$150 to \$550 according to age/grade. Registration includes indoor training, uniforms, and tournament fees.

See our website for cost details.

## ***Is Winter Training Mandatory?***

No, indoor training is drop-in style. Come when you can! Training from January to March will be held on Sunday evenings at Huron Valley Sports Complex in Milford.

## ***When/Where are Practices and Games?***

Spring Practices will be held at Heritage Park in Hartland 2-3 nights a week (depending on coaches' availability).

Most games will be at Heritage Park, but we do travel to surrounding areas. In previous years we have done a "Play Day" in Grand Rapids and tournaments in Midland/Oxford.

## ***How Long is the Spring Season?***

Team practices begin after spring break- the first week in April. We usually end our season the first weekend in June.

## ***How Are Teams Divided?***

If we have enough players for two teams at any age level, coaches will hold evaluations for team placement during the first few weeks of practice. Coaches will divide players into two teams: a Gold team that plays more experienced opponents and a Blue team that plays developing opponents.
